"Yvonne planned and organized a very large third party Hwy project. Yvonne is extremely well organized, very professional and a pleasure to work with. I wish there were more like Yvonne, she really goes the extra effort to keep things running smoothly. Highly Recommended!"

Devin Drayton, Construction Manager
Colorado Department of Transportation

"Part of my role as consulting Town Engineer was to perform development reviews on several of Yvonne's projects. Her work was thorough and went far to making the projects the best they could be. She represented her client's interests well."

Dave Kotz, Project Engineer
Schmueser Gordon Meyer

WHAT OTHERS ARE SAYING...

"Fellow Architects, Construction Managers, and Owners loved her design ability, and ability to communicate design solutions that are beautiful, and still stay within tight construction budgets. After her designs, I received numerous compliments on her communication, and design skills." — Adam Clark, Vice President, LEED AP, Spectrim Building Products

"I worked with Yvonne Bryant on several development projects in Garfield County, Colorado, and found her to be a great Job Captain-Planner. She was an asset to the project. She kept the projects moving with multiple consultants and approval agencies involved." — Michael Claffey, Owner, Claffey Ecological Consulting, Inc.

"We have been pleased with the progress to date and especially with Yvonne Bryant's client-oriented coordination and service." — CR Miertschin, New Facilities Team Leader, Mt. Olive Lutheran Church

"You were a joy to work with, from staff to congregation members, and the results are obvious... We have a wonderful place to worship and do ministry." — Pastor Meyer, Mt. Olive Lutheran Church

"Her ability to help and to want to help people in need is what makes her a 'real professional'" — SAGO Newsletter, The Texas A&M University System, Facilities Planning and Construction, College Station, Texas

"Whether you meet Yvonne in a professional or community setting (or on the mountain) you will find her enthusiasm and leadership contagious!" — Consuelo Redhorse, Women of the Summit

"As an architect, I've been taught that a successful project starts with a good foundation. As a leader, I've learned true success starts with support from the top."
- Yvonne Bryant
